**(c) When formulating an annual budget estimate, the proper officers of a township or (after December 31, 2012, in a county not having a consolidated city and except as provided in IC 36-6-6-1(f) and IC 36-6-6-1(g)) the county fiscal body shall consider:**

The political subdivision shall give notice by publication to taxpayers of:

- (1) the estimated budget;
- (2) the estimated maximum permissible levy;
- (3) the current and proposed tax levies of each fund; and
- (4) the amounts of excessive levy appeals to be requested.

In the notice, the political subdivision shall also state the time and place at which a public hearing will be held on these items. The notice shall be published twice in accordance with IC 5-3-1 with the first publication at least ten (10) days before the date fixed for the public hearing. Beginning in 2009, the duties required by this subsection must be completed before August 10 of the calendar year. A political subdivision shall provide the estimated budget and levy information required for the notice under subsection (b) to the county auditor on the schedule determined by the department of local government finance.

(b) Beginning in 2010, before October 1 of a calendar year, the county auditor shall mail to the last known address of each person liable for any property taxes, as shown on the tax duplicate, or to the last known address of the most recent owner shown in the transfer book, a statement that includes:

(1) the assessed valuation as of the assessment date in the current calendar year of tangible property on which the person will be liable for property taxes first due and payable in the immediately succeeding calendar year and notice to the person of the opportunity to appeal the assessed valuation under IC 6-1.1-15-1(c) (before July 1, 2008) or IC 6-1.1-15-1 (after June 30, 2008);

(2) the amount of property taxes for which the person will be liable to each political subdivision on the tangible property for taxes first due and payable in the immediately succeeding calendar year, taking into account all factors that affect that liability, including:

(A) the estimated budget and proposed tax rate and tax levy formulated by the political subdivision under subsection (a);

(B) any deductions or exemptions that apply to the assessed valuation of the tangible property;

(C) any credits that apply in the determination of the tax liability; and

(D) the county auditor's best estimate of the effects on the tax liability that might result from actions of:

(i) the county board of tax adjustment; or

(ii) the department of local government finance;

(3) a prominently displayed notation that:

(A) the estimate under subdivision (2) is based on the best information available at the time the statement is mailed; and

(B) based on various factors, including potential actions by:

(i) the county board of tax adjustment; or

(ii) the department of local government finance;

it is possible that the tax liability as finally determined will differ substantially from the estimate;

(4) comparative information showing the amount of property taxes for which the person is liable to each political subdivision on the tangible property for taxes first due and payable in the current year; and

(5) the date, time, and place at which the political subdivision will hold a public hearing on the political subdivision's estimated budget and proposed tax rate and tax levy as required under subsection (a).

(d) The board of directors of a solid waste management district established under IC 13-21 or IC 13-9.5-2 (before its repeal) may conduct the public hearing required under subsection (a):

- (1) in any county of the solid waste management district; and
- (2) in accordance with the annual notice of meetings published under IC 13-21-5-2.

(e) The trustee of each township in the county shall estimate the amount necessary to meet the cost of township assistance in the township for the ensuing calendar year. The township board **or (after December 31, 2012, in a county not having a consolidated city and except as provided in IC 36-6-6-1(f) and IC 36-6-6-1(g)) the county fiscal body** shall adopt with the township budget a tax rate sufficient to meet the estimated cost of township assistance. The taxes collected as a result of the tax rate adopted under this subsection are credited to the township assistance fund.

(f) This subsection expires January 1, 2009. A county shall adopt with the county budget and the department of local government finance shall certify under section 16 of this chapter a tax rate sufficient to raise the levy necessary to pay the following:

- (1) The cost of child services (as defined in IC 12-19-7-1) of the county payable from the family and children's fund.
- (2) The cost of children's psychiatric residential treatment services (as defined in IC 12-19-7.5-1) of the county payable from the children's psychiatric residential treatment services fund.

A budget, tax rate, or tax levy adopted by a county fiscal body or approved or modified by a county board of tax adjustment that is less than the levy necessary to pay the costs described in subdivision (1) or (2) shall not be treated as a final budget, tax rate, or tax levy under section 11 of this chapter.

SECTION 8. IC 6-1.1-17-16, AS AMENDED BY P.L.146-2008, SECTION 160, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 16. (a) Subject to the limitations and requirements prescribed in this section, the department of local government finance may revise, reduce, or increase a political subdivision's budget by fund, tax rate, or tax levy which the department reviews under section 8 or 10 of this chapter. **When reviewing a budget, tax rate, and tax levy of a township, the department of local government finance shall consider the ending balance that will remain in each fund relative to the budgeted expenditures**

p  
y

1 **from the fund and whether the part of the balance that exceeds ten**  
 2 **percent (10%) of budgeted expenditures should be used instead of**  
 3 **imposing additional property taxes for the ensuing year.**

4 (b) Subject to the limitations and requirements prescribed in this  
 5 section, the department of local government finance may review,  
 6 revise, reduce, or increase the budget by fund, tax rate, or tax levy of  
 7 any of the political subdivisions whose tax rates compose the aggregate  
 8 tax rate within a political subdivision whose budget, tax rate, or tax  
 9 levy is the subject of an appeal initiated under this chapter.

10 (c) Except as provided in subsections (j) and (k), before the  
 11 department of local government finance reviews, revises, reduces, or  
 12 increases a political subdivision's budget by fund, tax rate, or tax levy  
 13 under this section, the department must hold a public hearing on the  
 14 budget, tax rate, and tax levy. The department of local government  
 15 finance shall hold the hearing in the county in which the political  
 16 subdivision is located. The department of local government finance  
 17 may consider the budgets by fund, tax rates, and tax levies of several  
 18 political subdivisions at the same public hearing. At least five (5) days  
 19 before the date fixed for a public hearing, the department of local  
 20 government finance shall give notice of the time and place of the  
 21 hearing and of the budgets by fund, levies, and tax rates to be  
 22 considered at the hearing. The department of local government finance  
 23 shall publish the notice in two (2) newspapers of general circulation  
 24 published in the county. However, if only one (1) newspaper of general  
 25 circulation is published in the county, the department of local  
 26 government finance shall publish the notice in that newspaper.

27 (d) Except as provided in subsection (i), IC 20-46, or IC 6-1.1-18.5,  
 28 the department of local government finance may not increase a political  
 29 subdivision's budget by fund, tax rate, or tax levy to an amount which  
 30 exceeds the amount originally fixed by the political subdivision.  
 31 However, if the department of local government finance determines  
 32 that IC 5-3-1-2.3(b) applies to the tax rate, tax levy, or budget of the  
 33 political subdivision, the maximum amount by which the department  
 34 may increase the tax rate, tax levy, or budget is the amount originally  
 35 fixed by the political subdivision, and not the amount that was  
 36 incorrectly published or omitted in the notice described in  
 37 IC 5-3-1-2.3(b). The department of local government finance shall give  
 38 the political subdivision written notification specifying any revision,  
 39 reduction, or increase the department proposes in a political  
 40 subdivision's tax levy or tax rate. The political subdivision has two (2)  
 41 weeks from the date the political subdivision receives the notice to  
 42 provide a written response to the department of local government

 2 reductions, reallocation of levies, a revision in the amount of  
 3 miscellaneous revenues, and further review of any other item about  
 4 which, in the view of the political subdivision, the department is in  
 5 error. The department of local government finance shall consider the  
 6 adjustments as specified in the political subdivision's response if the  
 7 response is provided as required by this subsection and shall deliver a  
 8 final decision to the political subdivision.

9 (e) The department of local government finance may not approve a  
 10 levy for lease payments by a city, town, county, library, or school  
 11 corporation if the lease payments are payable to a building corporation  
 12 for use by the building corporation for debt service on bonds and if:

- 13 (1) no bonds of the building corporation are outstanding; or
- 14 (2) the building corporation has enough legally available funds on  
 15 hand to redeem all outstanding bonds payable from the particular  
 16 lease rental levy requested.
